Business:

- **Ice House public art piece - Approval of Piece**
 - Comments:
 - Scott - Little expression, not comfortable with the piece, add lighting
 - April - Looking at it more as a historical marker, not a piece of art
 - Melissa - Everyone was drawing a blank, so it was hard to come up with an idea of what we were looking for, add lighting, see piece to mark historical significance.
 - Nancy - Working within the budget is important and it is more of a historical piece
 - Tracy will see if light can be added, narrow down the cost, check into "matching grant"
 - PAC to send comments/suggestions to Tracy to send back to the designers
 - **Table to next meeting - September 08, 2020**

- **Arts & Science Council Volunteer Representative**
 - ASC has an opening on the North West Advisory Board
 - Nancy is currently on the board
 - Some items/duties of the council: establish goals for the year, work on culture blocks for the area, review grant proposals
