

## Huntersville's Greenway, Trail, and Bikeway system needs a name and we are asking for your help!

We are growing the current trail system from 4 miles to more than 15 miles connecting 30,000+ Huntersville residents.

In addition to trails, we are building community and healthier lives by connecting residents to schools, businesses, parks, recreation centers, healthcare facilities, and our neighbors in Cornelius and Davidson.

### Here's what we need:

**Your idea(s) for a trail system name**

**Make it fun, make it short, make it easy to say.**

*Examples: Cornelius "The Emerald Necklace"  
North Carolina's "Mountains-to-Sea State Trail"  
" Mooresville to Charlotte Trail" or "Carolina Thread Trail"*

Submit your ideas by email: [thouk@huntersville.org](mailto:thouk@huntersville.org) or mail: Huntersville Parks & Recreation, Attn: Tracy Houk, PO Box 2879, Huntersville, NC 28070

**Deadline: July 12, 2019**

*The town of Huntersville is committed to the expansion of its greenway system. As the number one asked for amenity, greenways enhance the quality of life for our citizens!*  
- Mayor John Aneralla
