

TA 21-01 – 160D Zoning & Subdivision Text Amendment

PART 1: DESCRIPTION

TA21-01 is a request by the Huntersville Planning Department to amend the Huntersville Zoning and Subdivision Ordinance. The purpose of the amendment is to comply with the new Chapter 160D of the State Statutes and correct any other adjustments needed.

PART 2: BACKGROUND

The North Carolina General Statutes were amended in 2019 by creating a new Chapter 160D. This new Chapter consolidated city- and county-enabling statutes for development regulations (previously Chapters 153A and 160A) into a single, unified chapter. Chapter 160D places these statutes into a more logical, coherent organization. While the new law did not make major policy changes or shifts in the scope of authority granted to local governments, it did provide many clarifying amendments and consensus reforms that must be incorporated into local development regulations.

In addition to amendments related to 160D, other miscellaneous adjustments are proposed to correct citations, standardized references, delete outdated references, clear-up conflicts, etc. Changes are tracked in the proposed amendments and comments have been added where appropriate to provide clarification.

PART 3: RELEVANT HUNTERSVILLE 2040 COMMUNITY PLAN AND APPLICABLE LONG RANGE PLANS

TA21-01 is consistent with all policies of the Huntersville 2040 Community Plan as the amendment is necessary to maintain land development regulations.
